By Neil J. Beaton : Valuing Early Stage and Venture Backed Companies (Wiley Finance) amazon valuing early stage and venture backed companies wiley finance ebook neil j beaton kindle store neil j beaton cpaabv cfa asa is a nationally known business valuation expert and speaker on the valuation of early stage companies he is the national partner Valuing Early Stage and Venture Backed Companies (Wiley Finance):

0 of 0 review helpful Disappointed By John Relatively little coverage is devoted to actually valuing these types of companies Rather most of the book is about allocating equity among the various classes I think the title needs to be revised to match the contents The author has a charming style but the graphs and text is often unclear 2 of 3 review helpful Valuing Early Stage and Venture Find out what your early stage business is really worth and what you can do to increase its value even more One of the most misconstrued concepts in business today valuation has also rapidly become one of the most important for business owners in today s unpredictable financial atmosphere An experiential and practical guide drawn from author and valuation expert Neil Beaton s fifteen years of focused start up work Valuing Early Stage a From the Inside Flap Unique in the overall sphere of business valuation the valuing of early stage and venture backed companies lacks the traditional metrics of cash flow earnings or even revenue at times But without these metrics traditional discounted cas
