10 of 10 review helpful Great start to planning your financial future By Fred A I am a newbie when it comes to

investing Prior to reading this book I had read The Neatest Little Guide to Stock Market Investing great book I was under the impression that stocks were the main investment vehicle for those trying to maximize returns Gee was I wrong Investing 101 gives you a much broader view of the investing game F People wanting basic advice about stocks bonds mutual funds retirement planning and tax strategies are often frustrated by information overload Picking the right book seems as daunting as deciding what to do with their savings and investments Investing 101 Updated and Expanded removes both roadblocks putting people on a path that they can understand and stick with Kristof is renowned for taking the mystery and anxiety out of investing by keeping choice Praise for the first edition Investing 101 by Kathy Kristof is a reader friendly introduction to the basics of investing and personal finance If I had to suggest a book on investing and personal finance to an absolute beginner it would
