By Darrell D. Dorrell, Gregory A. Gadawski : Financial Forensics Body of Knowledge (Wiley Finance) the definitive must have guide for the forensic accounting professional financial forensics body of knowledge is the unique innovative and definitive guide and the definitive must have guide for the forensic accounting professional financial forensics body of knowledge is the unique innovative and definitive guide and Financial Forensics Body of Knowledge (Wiley Finance):

1 of 1 review helpful THE best financial forensics resource packed with practical useful and immediately applicable

info By T Stewart This book is amazing I began reading it and then hopped into an NACVA 15 hour webinar series with Darrell Dorrell To my relief his webinar overlaps with many parts of this book At my fingertips I can grab this book to review that webinar but better because this book is more in depth The definitive must have guide for the forensic accounting professional Financial Forensics Body of Knowledge is the unique innovative and definitive guide and technical reference work for the financial forensics and or forensic accounting professional including nearly 300 forensic tools techniques methods and methodologies apply to virtually all civil criminal and dispute matters Many of the tools have never before been published From the Inside Flap Financial forensics and forensic accounting have become household terms thanks to extensive media coverage of high profile corporate failures institutional collapses and profligate government spending The general public investors and
