Analyst's Indispensible Pocket Guide:

1 of 1 review helpful Terrific reference a touch on the simplistic side By A I P Booker This is a great short reference item as its title would indicate It touches on all major topics for finance particularly for the CFA exam and is arranged in an intuitive and logical manner The book itself is a bit on the simplistic side but that s to be expected given its brevity Within each subcategory such as fixed income Financial Analyst rsquo s Indispensable Pocketguide is the first reference to give the more than 20 000 candidates who take AIMR administered CFA exams annually mdash and the 60 000 plus CFAs and finance professionals who currently practice investment management mdash a single broad based resource for specific terminology and information Much more than just a dictionary this dynamic book explains and expands upon the fundamental concepts that comprise a financial analy From the Back Cover The Ideal Study Guide for AIMR s Three Level CFA Exam Today s Only One Stop Resource for Important Financial Concepts Terms and Definitions Each minute of every day financial analysts and investment managers must know th
