By William; Anderson, Shannon; Maher, Michael Lanen : Fundamentals of Cost Accounting fundamentals of cost accounting 4th edition william n lanen professor shannon anderson associate professor michael w maher on fundamentals of cost accounting michael w maher university of california at davis william n lanen university of michigan madhav v rajan stanford university Fundamentals of Cost Accounting:

4 of 4 review helpful Meh By Katherine Hudgens I rented the book from for the online semester so there was no access code to WileyPlus and I had to purchase it separately Frankly I didn t even need the textbook WileyPlus has the whole book online I ve barely touched the book since Chapter 3 This textbook is well a textbook It s dull dry and challenging to absorb many of the lessons I find most of the Fundamentals of Cost Accountingprovides a direct

realistic and efficient way to learn cost accounting integrated with new technology learning tools Fundamentals is short approximately 700 pages making it easy to cover in one semester The authors have kept the text concise by focusing on the key concepts students need to master The Decision opening vignettes and Business Application boxes show realistic applications of these concepts throughout All chapters conclude About the Author A Professor of Management at the University of California Davis Professor Maher previously taught at the University of Michigan the University of Chicago and the University of Washington He also worked on the audit staff at Arthur Andersen
