Deal: Breakthroughs in M&A Strategy and Analysis:

1 of 1 review helpful Good book By Anushree Good examples and coverage of academic and other publications by consulting firms and their findings Must buy for students and professionals Following a quiet period in global M A activity a new boom seems to be underway but in an age where two thirds of all merger deals can be said to fail where deals fall short of the minimum required financial returns to the acquiring company how can future success be guaranteed And what can acquirers and their shareholders and advisers do to improve the chances of success Masterminding the Deal looks at performance in two critical areas merger segmen Most swings are strikes marriages end in divorce and exploratory wells are dry holes And yet batters continue to go to the plate lovers to the alter and wildcatters to new basins and fields Masterminding the Deal gives M A dealmakers cause for co
