2 of 4 review helpful I never got this book By Eric I bought this item but never received it After series of complains I was told it was shipped by DHL and they could not locate my address and therefore the book was disposed off I was surprised to hear that in that I was never contacted to provide any alternate address I was promised the money will be refunded to me but I never got any notification about refund from the During the last couple of decades or so mergers

and acquisitions M As have assumed great importance Giant corporations and big multinational enterprises MNEs are constantly on the lookout for acquiring big or small companies to increase their wealth and become even bigger global giants It is in this context that a comprehensive book on M As such as the one authored by Professor Kamal Ghosh Ray becomes so significant This well balanced and well rese
